## **CUSTOMER TESTIMONIAL** as at 14<sup>th</sup> November 2008

I would like to take this opportunity to pass on my thanks to yourselves and your team of operators that produced the product...

For a first time ever, we encounter negligible issues with the [envelope] product...

of some 3,400,000 was a fantastic result...

The mailing has been completed with no delays through faulty stock...

Thanks again for understanding the importance of this critical job for us and performing your art to the utmost perfection...

I will have no hesitation in selecting PaperlinX, yourself and your team again...

Congratulations and Thank you  
Regards  
Trevor Franklin
